SIR,

I have the honour to inform you that much inconvenience is felt by the mofussil teachers undergoing training in the Kolar Normal School on account of the absence of a hostel attached to the above school. It is reported that there are no satisfactory private hotels in the town. The teachers therefore propose to start a hostel of their own locating it in a portion of the chatram kindly placed at their disposal by the authorities in charge of the institution and they apply now for a grant to purchase the necessary utensils. In these circumstances I recommend that Government may be pleased to sanction a grant of Rs.100 towards the purchase of the vessels required the charges being met out of Rs.29,300 provided in the current year's budget for the revision of Normal School, Mysore. I ma

add, that the vessels purchased will be handed over to the Normal school Students' Home when one is sanctioned for the school.
